Field Day 2016

The Greenwood Amateur Radio Society had Field Day in Coronaca, SC at the Coronaca Baptist Church, We operated as a 2A station for Saturday and had a wonderful time. The newsletter staff would like to thank Fred, K9PIN for arranging such a wonderful venue, Buddy W4DEW for bringing the portable tower, Tedd AI4WN for towing our trailer, and all the members who came and made this year's Field Day a great success. The bands weren't in the greatest of shape, but everyone got in there and have a go at running one of the stations. Thank you all for another safe and fun ARRL Field Day. -Ed.
