What's Happening?

The "Rolling Roundtable" meets most mornings and evenings around 7 o'clock and attracts many fine folks around the area (and even some from way out of the area!) We'd love for you to jump in!

Please remember our nets every Thursday night at 9pm. And stay in touch with the Ladies who meet on Tuesday

at 8pm. Come on in, sit back, stay a while and join us "On the Stump"

Until Next Time,

You're always 5 and 9 with The Signal Report

What to bring for Field Day by Adam Shirley WJ4X

What to bring for field day? That is the question.

Many times we are left without a clue to what to bring for field day, but this year you're definitely going to need a few things to make your field day experience pleasant and memorable . It's expected to be hot out there, so you're going to need bottled water or other beverage of your choice and a cooler to keep it in. You're going to need somewhere to sit if you choose not to join us around the radios, so a fold up chair is in order. You're going to want to eat something eventually, so some sort of chow is in order, so make sure you keep covered on that front. You're also going to want to have sunscreen, comfortable clothes, a hat to keep the sun out of your eyes, and any special radio equipment you'd want. If you're staying the evening with us, camping equipment is in order. Most importantly, you need to bring your good sense of humor, ready ear, and willing mind, as we're going to have a lot of fun!

73!

See ya there!

This Year's Field Day will be dutch treat. There are plenty of restaurants that serve the Field Day area, as well as Piggly Wiggly nearby.
Thanks for your cooperation
